OFFICE OF THE EXCISE COMMISSIONER
IN MYSORE,

Bangalore, Dated 24/11/10 19

Dear Mr Rostama Chetty.

I have just inspected the godown & Sola Lodge & find the accomodation quite sufficient for our stores, he wants Rs 35/ rent per mensem. Another alternative would be to take over Granville which would accomodate the Excise & Registration Offices with all the stores combined under one accomodation but for the Sanitary Office & Chief Medical Office for which I believe the accomodation is ample as they have no stores I believe that they have not many clerks to provide for otherwise I have 27 in the

departments. The godowns at Granville would also be ample for any requirements for storing tea; if this could be managed I think that this would be the best arrangement. The objection to taking the Hola Lodge godowns is that the entrance would be round at the back & we might be liable to theft.

Yours truly

Hill Sparkes

P.S. If the exchange & Bill business is applied it will mean a saving in rent

Dear Mr. Pullanna Chetty,

I consulted with Mr. Lumsden about the exchange of Mysore by that he should make over Granville in exchange for two Mysore he enjoyed two Mysore last year: I admitted that the upkar arrangement was suppressed for the Mysore but that the hall arrangements were to remain for his museum, if such is the case how much more inconvenient it must be for the clerks who have to work two especially now that we are pushing ahead rush in the place I have no room whatever to turn. In my mind it is to demand that the liver of my people should be jeopardised

than at present I would request that I be allowed Rupees Rs 7587- a month for renting a convenient bungalow which was cut down at the time of retrenchment.

As no accomodation can be found for the above rent at Ballarpur I can see no alternative but to allow them Rupees Rs 7587- & if the above are to be kept there the whole office may be removed there as well as there is no chance of letting the house if part of it is taken up with above rent. (5) After Mr Sparke became the Excise Commr both the above offices were shifted to the place where they now are in the Distillery Office buildings. There being no room in these buildings for the Excise Commr's stores they were removed to the Central Distillery. After some time it was found very inconvenient to have the stores far away from the Commr's Office & the Distillery buildings also were found to afford to accommodate the E. Commr's stores. They were therefore transferred to the Bungalow now occupied by Mr Sparke as he was able to spare a portion thereof for them. A portion of the yard [illegible] 50/

(6) As Mr Sparkes has reported that he will vacate the Bungalow on the 30th inst it is necessary to find accommodation for his office stores. In this connection the Chief Engineer has been requested to state if the existing arrangement cannot continue. His reply is not yet received. The Asst Comr was also requested at the same time to report in consultation with the Dy Comr, Bangalore, where accommodation can be found for his office stores. The DC letters now received are his reply.

(8) The Senior Surgeon has not consented to the two proposals on the ground that the portion of the Dist Office building now occupied by the Regn Office (in the lower floor) is insanitary & that the upper floor alone is not sufficient for his depts — refers to Mr Sparkes instructions & requests to provide for some better accommodation for his Offices.

(9) The record of the proposals seems to be a good one, but the Bellebourie bungalow seems to be better suited for the residence for the Officer. Moreover Govt. will lose a rent of Rs 200/- p.m. if the bungalow which they will get if it is occupied by another. The only course left open is to take up the outhouses of the Kala Loda for the Excise Commissioner and pay a rent of Rs 30/- p.m. But there are strong grounds to think that the owner may raise the rent at any time & that he may ask the stores to be removed from there at his will & pleasure. This difficulty may be got over by taking an agreement from the owner that he will neither ask for higher rents nor for the removal of the stores for some period to be fixed by Govt. & the Excise Comr. say for 2 or 3 years.

My dear Sir,

In re Excise Commissioner's Office accommodation discussed in the Files below. I do not think that Grace Villa can be made available. I see no objection to the Excise Commissioner's Office being entirely located in Balabrooie. In that case, one of the Assistant Commissioner's Courts and Office may be shifted from the downstairs in the District Office buildings to the rooms now occupied by the Excise Commissioner, and the rooms now occupied by the said Assistant Commissioner may be added on to the District Treasury and thus the way prepared for

D.O.No.310

Deputy Commissioner's Office,

Dated Bangalore, 16th December 1910.

Dear Sir.

With reference to your D.O. letter of date, I beg to submit the following proposals for the rearrangement of Offices consequent on the removal of the offices of the Excise Commissioner and the Inspector General of Registration from the District Office Buildings and before doing so I note below, for your kind information, the offices which were formerly located in the rooms occupied by the above said two offices.

2. The present Excise Commissioner's Office in the up-stairs formerly accommodated (1) Bangalore Sub-Division Office (2) District Registrar's Office and (3) a portion of the late District Judge's Court and latterly, for some time, of the Sub-Judge's Court.

3. Again, in the rooms(down-floor) wherein the offices of the Inspector General of Registration and District Excise Officer are located were formerly occupied by the Office of the Inspector General of Education.

4. In consequence of the transfer of a portion of the work of the Huzur Treasury together with a portion of its establishment to the District Treasury, ordered in Govern

Government Proceedings No.Fl.2324-9/Gl.Fin.2130-8 dated the 10th November 1910, it has become quite necessary to find more accommodation for the District Treasury Officer and his establishment. It is accordingly proposed to make the room adjoining the District Treasury now occupied by the Dodballapur Sub-Division Office(which it may be stated is quite unsuited for holding the Assistant Commissioner's Court and office) available for the District Treasury Office, the Dodballapur Sub-Division Office being shifted to the rooms occupied by the District Excise office and also the adjoining hall wherein the Inspector General of Registration office is located. The District Excise Office will be located in the up-stair room just above the front Portico now occupied by the Sub-Judge's Court establishment, the latter being shifted to the up-stair room formerly in their use but at present occupied by the Personal Assistant to the Excise Commissioner and a portion of his establishment, as it is contiguous to the rooms occupied by the Sub-Judge. The remaining two rooms with the Hall at present in the occupation of the Excise Commissioner may be conveniently made available for holding the District Police Office, as it is necessary in the interest of efficient despatch of work, the District Police Office should be very near to that of the Deputy Commissioner. In this connection I beg to state that it was only to provide accommodation to the Sub-Judge's Court, that the District Police Office had to be unavoidably shifted

shifted to the Fort, notwithstanding the inconvenience resulting therefrom. I would therefore recommend the bringing back of the Police office to this building and this arrangement will result in the savings of rent now being paid for the building in the Fort. As regards providing a place for the Police Stores, the room adjoining the Bench Magistrates' Court now occupied by the Inspector General of Registration may be conveniently made available for the purpose and if this room is found insufficient, the small room adjoining the Vernacular Record Room(down-floor) of the Deputy Commissioner's Office in the possession of the Sub-Judge who is agreeable to vacate the same will be used for keeping the Police Stores.

5. The several Officers whom I consulted in the matter are agreeable to the above proposal which involve as few shiftings of offices as possible.

Yours Sincerely,

Commissioner

For the rest it is merely a readjustment of accommodation. The Treasury accommodation has been enlarged. The Excise Comrs & Dy. Registration Offices may be moved to Pallakkode. Submitted to His Highness.

The accompanying papers relate to a proposal to shift the Excise Commissioner's Office from the District Office buildings, Bangalore, to the bungalow "Balabrooie". Till recently Mr. Sparkes was occupying this bungalow, and the Stores of the Excise Department have been kept in a portion of it, in consideration of which Mr. Sparkes was allowed a reduction of Rs.50 in the house-rent. If Balabrooie is to be let to another tenant, other accommodation will have to be found for the Stores of the Excise Department.

2. There is also the question of allotting additional accommodation for the District Treasury Office in view of the transfer to it of a large portion of the work and some of the establishment of the State Huzur Treasury.

3. The proposal therefore is to transfer the Excise Commissioner's Office to Balabrooie and to redistribute the rooms in the District Office building as indicated in the Deputy Commissioner's D.O.letter No.310 dated 16th December 1910.

G

4. This may be sanctioned. This involves a loss

25

of Rs.200 per mensem under house-rent on Balabrooie, and a saving of Rs.50 per mensem on account of accommodation for the Excise Commissioner's Stores, and also of the house-rent (amount not specified) now paid for building in which the District Police Office is located.

With reference to File No.1758 dated 13th January 1911 I am directed to say that His Highness regrets that he cannot approve of the conversion into a public office of a good bungalow like Ballabrooie situated in the centre of the High Ground. There are already too many office Bungalows in this residential neighbourhood. I am to request that some other building may be selected for an Excise Office.

Dear Sir,

In reply to your D. O. dated intimating that His Highness the Maharaja does not approve of converting " Balla-brooie " into an office building and requesting me to submit alternative proposals for office accommodation, I have to refer you to my previous D. If this arrangement is not feasible, the Old Palace in the Fort may be given for my offices.

As a further alternative I suggest that the second Bungalow next the Census Office, Cunningham Road, may be allowed to be rented by me for the offices at Rs.100/- a month.

I request that early orders may be kindly passed on

Sir,

With reference to Government Proceedings No.T.4604-60/E.B. 50-10 dated 3rd March 1911, sanctioning the reallocation of rooms in the District Office Buildings among the several offices, I have the honor to state that the rooms referred to in clauses 4 and 5 of para 3 of the said Government order, allotted for the District Police Office were found to be inadequate to accommodate the large Police establishment as also the Police records and the Stores. Owing to the absence on leave of the Superintendent of Police when my first proposals were submitted to Government, his requirements as regards accommodation for the Police Records and the District Police School were not known and further it is considered unsafe to burden the upper floor with the weight of a large number of heavy almirahs and racks containing Police records.

2. In the above circumstances, I have, in anticipation of the kind approval of Government, ordered the District Police Office to be located in the down-stair rooms and the hall(referred to in para 3 clause 3 of the Government order) intended for the Doddaballapur Sub-Division Office, the latter office being shifted to the upstair rooms and the adjoining hall reserved for the District Police Office.

3. By this internal arrangement, the Superintendent of Police will have sufficient accommodation in one compact block for his office, Stores, etc. without in any way inconveniencing the Doddaballapur Sub-
